

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

## Perry Pictures

(ONE CENT SIZE.)

**T**HIS EDITION is on rough paper,  $5\frac{1}{2}$  x 8 inches, and in the beautiful sepia tone that resembles that of high cost photographs. Most of the Perry Pictures are in black and white and on smooth paper, but we now publish a large number of subjects in this Boston Edition, and others will be added. (This name is given to them simply to distinguish them from the Regular Edition in black and white.) We send the Boston Edition in all subjects we are supplying in that edition without extra charge, and the rest in the Regular Edition.

# RATES OF POSTAGE.

---

**1st Class.**—Letters, and all mail matter sealed so that it cannot be examined without breaking the seal. Postage 2 cents per ounce or fraction for United States and British Provinces (except Newfoundland.) At least one rate (two cents) must be prepaid to insure forwarding.

Postal cards, U. S. and British Provinces, one cent.

The use of the hand stamp for personal communications, as the stamping of a receipt or credit on a bill of account, price list with prices added in writing matter produced by the type-writer, constitutes the matter 1st-class.

Letters and postal cards can be forwarded from one post office to another without an additional prepayment of postage. All other matter can be forwarded at the request of the party addressed, when the postage will be collected on delivery.

**2nd Class.**—All newspapers and other periodical publications which are issued at stated intervals, and as frequently as four times a year, from a known office of publication, and with a paid list of subscribers; rate 1 cent per lb., and is for the benefit of publishers and news agents and of dealers only. Publications of this character can be mailed by the public at the rate of 1 cent for each four ounces or fraction; full pre-payment of postage compulsory.

**3rd Class.**—Books (printed), circulars, labels, photographs, proof sheets, and corrected proof sheets and MS copy accompanying the same, blank checks, drafts, insurance policies and other legal papers, hand bills, posters, and all matter of the same general

character. Rate, 1 cent for each two ounces or fraction; full prepayment of postage compulsory. Seeds, cuttings, roots, bulbs, etc., may be forwarded in the mails of the United States, with postage prepaid at third class rate, but matter of this nature for Canada must be prepaid at 4th class rates. The date of issue, name of the addressed, the name of the sender, may be written on a circular, or the correction of a typographical error, without subjecting it to letter rate. Reproductions from hectograph, papyrograph, and electric pen, may be sent through mails as 3rd class matter. The limit of the weight of packages of this class is four pounds, except in case of single volumes of a book, to which there is no limit of weight.

**4th Class.**—Patterns, address tags, bill heads, letter heads, playing cards, blotting paper bearing printed advertisements, merchandise, metals, and all other matter not included in the first, second and third classes. Rate, one cent for each ounce or fraction. Full prepayment of postage compulsory. The limit of weight of packages of this class is four pounds. The sender may attach to such articles, by tags or label, any marks, numbers, names or letters, for purpose of description.

**Unmailable.**—All packages containing poisons, explosives, substances exhaling bad odor, liquids (ardent, vinous, spirituous or malt) obscene matter of any description, dunning notices on postal cards, and all articles which from their nature are liable to damage the mails or injure any person handling the same, cannot be forwarded.
